

How to Activate Wake Tech Student Account

Every Wake Tech student must activate their my.waketech.edu account. To activate your account go to www.waketech.edu, and the Wake Tech homepage will appear. Click “MyWaketech” in the upper right corner. When the window appears, click “Activate my Account” on the top left side of the page. You will then be provided with a list of information that you must have in order to proceed. If you are missing any of these items, follow the provided instructions to retrieve them. When you are ready, click “Activate Account” in the bottom right corner. Read the instructions provided and enter the requested information. Click the submit button when you finish. Your account is now activated.
